

# TAPS FEST RESULT

“COALESCE 2020”

Dear All,

It was an absolute pleasure to go through the entries sent by various schools. As the major focus of the competition was to strengthen the bond between the elders, parents & grandparents, and the children, we were delighted to see it in reality!

We are aware that the current pandemic has brought its own set of challenges, but we felt that the children were able to circumvent them beautifully and put their best foot forward.

We would like to thank each and every school for participating wholeheartedly in the competition to make our online TAPSFEST a huge success.

We hope that we will see better times next year and meet each one of you personally!

God bless

Staff & Students of APS DK
