

Fire mock drill report

- A fire mock drill was conducted on 27th November 2018 at 12: 00 p.m
- The Incident Commander (Principal) took a meeting with the coordinators and various team- in-charges a day before the mock drill and briefed about the layout and execution plan.
- On 27th November 2018 at 12pm the mock drill was executed by raising the Alarm/Siren as per the instructions of the Principal.
- Students came out of the building in a systematic order(within 4min) along with the subject teachers and assembled as per the layout plan.
- At the assembly area the subject teachers took a head count and reported the missing students to the Information centre.
- The missing and injured students were taken out by the 'Search and Rescue Team.
- Injured students were taken to the medical centre, where they were given first aid by the 'First aid Team'.
- A demo was given by the Demo Team on how to use a fire extinguisher.
-

- After the Demo , students were briefed about the Do's and Don'ts during a fire at the assembly area

- Students were taken back by the subject teacher to their respective class rooms.
